Assessor Comments	A neat line of Cows and Calves. These units present the buyer with a great trade option on the back of the current widespread season. Cows present in a forward store condition while doing a good job on their young calves. All these cows raised a very good calve last year. Calves are sired By Bongongo Angus bulls and are showing a nice growth for age and should grow into nice soft coated Angus X Calves. These units represent great value for a trade and offer the buyer 2 articles for not a big \$\$ outlay!!
