Assessor Comments	An opportunity to secure a quality great size line of PTIC Angus Cross females. Heifers present in excellent condition from being soft easy fleshing types. In calf to Wyelba Stud Angus bulls which are Millah Murrah Genetics. Females are well grown and would be a great addition to any program. With a range of 365-518kg and avg of 448.6kg at assessment. All the hard work is done with regular health treatments, these young matrons are perfect starters or additional quality heifers to gain numbers in your program.
