	These steers were a pleasure to move around the yards being properly weaned and handled, one just became slightly agitated in the confines of the weigh box.
Handled With	Bikes , Vehicles
Assessor Comments	This little lot of Angus and Angus cross steers are well bred, well handled and right up on all treatments. These 7 steers are the younger calves out of two other lots of 25 the vendor has for sale in the same catalogue, and may suit a smaller operator, or to fill a pen for a larger buyer. The other two lots are 25 Angus , and 25 Black Baldy steers at heavier weights.
