	Sally loves to be brushed and will stand in the yards or paddock for you whilst scratching and brushing her.		

Handled With	Bikes , On foot
Assessor Comments	Sally is also a first calving heifer who has a great bull calf at foot. Sally has a little longer horns than her best friend Mary. She is also broken to being brushed in the yards and the paddock and will stand for you when you come into the paddock for a feed and a brush. Sally is an attractive red colour and this is also the colour of her bull calf. She is not rejoined so you can take her home and join her to the bull of your choice. Sally has a great temperament and would make a great pet.
