Assessor Comments	On offer is a good quality small line of PTIC Angus Heifers, presenting in forward condition. These Heifers are starting to show good feminine style with good frame and shape for age that will mature into quality breeders. Joined to the Angus bull, and due to commence calving in June. Heifers were purchased in March as young weaners from Holbrook NSW. Ideal females to take on and calve down in the winter. Please note: one heifer with very small old pink eye scarring, deemed not detrimental to sale.
