Generally very good to handle these steers have been trained through the yards over the past 4 weeks and flowed through with no issues. Odd steer became agitated when singled out but once back with his mates calmed down quickly.

Handled With: Bikes , Dogs , On foot , Vehicles

Assessor Comments	Terrific line of steers bred in the purple. These tops of the drop steers are sired by sons of Gar Ashland & SS Brickyard with a strong emphasis on carcass and growth. Previous years drops have hit heavy export weights before cutting teeth. Highly recommended line of weaned Angus steers that will not disappoint.
