Assessor Comments	74 excellent quality Charolais and Hereford-infused steers, aged 7 to 8 months and sired by Yalgoo Hereford and Paringa Charolais bulls. These steers are the tops of the drop, averaging 264kg (curfew weight), and come with our highest recommendation. They are showing impressive shape, growth, and softness for their age, and with the right opportunity, should continue to perform exceptionally well. Buyers please note, approximately 8% of the steers were observed with very light scarring in one eye, which has been deemed not detrimental. The vendor also has three lots in the same sale.
