Assessor Comments	60 excellent quality Charolais and Hereford-infused heifers, aged 7 to 8 months, are sired by Yalgoo Hereford and Paringa Charolais bulls. They are the tops of the drop, averaging 255kg (curfew weight). These heifers come with our highest recommendation, showing plenty of shape, growth, and softness for their age, and with the right conditions, they should continue to perform exceptionally well. Buyers, please note that 5 of the heifers were observed with very light scarring in one eye, which has been deemed non-detrimental. The vendor also has 3 lots steers in the same sale.
