Assessor Comments	A small line of PTIC Angus & Angus/Santa x cows that present in good forward store condition. This is a complete dispersal of the last of the herd & presents potential buyers with a great opportunity to secure future breeders. Weaners were sold off the majority of these cows 3 weeks ago & the cows have been joined with a very good Santa Bull Bred by Dangerfield Santa's, purchased 5 years ago for $35,000. Please note: A percentage of the cows have rub marks from flies but were treated with Beast pour-on on the 7.4.25
