Assessor Comments	On offer is a neat line of 15 future breeder Angus heifers. They are Hardhat, Milwillah & Bongongo Angus blood, 12-13 months of age and have been preg-tested empty for buyers assurance. Temperament was outstanding with these cattle. Noted was one heifer with old blue eye scarring in one eye only and one heifer with white on undercarriage. These heifers are not over done in condition and with a drench will respond well to the upcoming spring feed. They are also at suitable joining weights for the buyer to take home and join with the bull of choice.
