Assessor Comments	Buyers, presented for sale are the Chatsworth Pastoral Angus steers. 47 total in the top draft. Averaging 357.9Kg, ranging from 330Kg to 414Kg full, these steers have reacted favorably to the desirable warmer spring conditions averaging 2Kg per day since last weighing in August. Vendor bred, sired by Millah Murrah and Milwillah Angus Bulls and out of medium to large framed Millah Murrah and Milwillah blood Angus cows. Health management of these steers is more then adequate as they have received multiple vaccinations including Multimin, 7 in 1, 5 in 1, Vitamin A,D&E and multiple drenches. August/September 2021 drop. These steers are of medium to large frames and display even depth and composition throughout their bodies. A great article to take on over the Spring and Summer months to continue to power ahead in weight gain and fat cover turning into ideal feeder or kill cattle stock. Buyers please note vendor is also offering a 2nd draft of lighter steers in the sale.
