Assessor Comments: Opportunity presents to purchase top quality PTIC Angus females straight from the core of The Glen Angus Walwa. These females are only being offered due to tight seasonal condition other wise would be retained & on offer is 37 PTIC 2nd & 3rd calving cows with 30 2nd & 7 3rd in the mob. The Glen Angus have been breeding top quality Angus cattle for the past 25 yrs in the Upper Murray & prides is self on the doing ability, soundness & fertility. These cows present a great opportunity to build/add to any commercial herd & being heavily classed in females come with my highest recommendation.
