Assessor Comments: An opportunity presents to purchase the last remaining Autumn calving females off M&R Oates, a well renowned herd within the local district that have received numerous awards throughout the years at our Blue Ribbon January weaner sales. These Heifers were only weaners when the main dispersal was completed in 2023 so vendors decided too retain these females and join and now they are for genuine offer. Marcus & Ruth have always prided themselves at producing A grade quality weaners and have consistently done so by purchasing top end bulls from Witherswood Angus focusing on Growth, Temperament & Fertility. These Heifers are rising 3 years, are large framed females with plenty of milk and have calves sired by a Fernhill Angus Bull that are 3-6 weeks old that are very fresh and sappy. Females with a lot of life in front of them that would suite the most discerning buyer.
