Assessor Comments	On offer is a nice line of soft Simental and Charolais cross bred heifers. These heifers are out of a cow herd that has been using Simental as its base for many years. Sires are from Billa Park, Moongool, Casa Toro and Summa Simental and Bettafield Charolais. These heifers have the makings to be future breeders they show kind temperament and are out of cows that are preg. tested yearly to ensure fertility in the herd. They are from a cow herd that has a mixture of Simental Droughtmaster and a splash of brahman and can best be described as a soft X bred cow herd. It was observed that 2 heifers had fly bite, and 1 heifer has a very slight twist in her nose. Heavier sisters listed in this auction also.
