Steers handled very well through the yards. The odd steer reacted on the weighing platform but settled quickly.

Handled With: Bikes , Dogs , Horses , On foot

Assessor Comments	80 very good quality EU Angus steers. Tops of the drop with the tail drafted out. Yard weaned and educated with dogs and worked through the yards. It was noted 3 steers had old pink eye scaring in one eye that didn't affect any vision. One steer had a small white patch behind the navel. Very good steers to handle and would be ideal cattle to go onto crop as a grass fed article.
