Cows are pretty good to handle however they do want to crowd up in the corner when applying pressure and the odd cow

	becomes unsettled when isolated.
Handled With	Bikes , Dogs
Assessor Comments	10 VGQ Simmental young cows PTIC to Simmental and Simbrah bulls. 7 of these are only second calf heifers with the balance good young cows with plenty of years left in them. Cows show great bone, type and conformation and would be an asset to any breeder herd. These are large framed cows that will grow to 650kg plus when fattened. Joined to Lucrana Simmental and Gowrie Simbrah bulls for a 93 day joining period. These cows last calf was recently weaned and topped the auctions plus sale on the day.
