| Assessor Comments | A nice line of Angus x Santa PTIC Cows. Cows are bred out of Santa X Cows by Bongongo Angus Bulls. Joined up for 9 weeks to Bongongo Angus bulls for a Late July- Sept calving. Cows raised very good calves last year. Cows with a very good frame and length to them and showed very good milk with last years calves. Are classed in breeders at Dilledewong but the tight seasonal conditions has forced the sale. Cows with all their prime in front of them and will make very good breeders for years to come! Vendor has a line of Angus young cows and XB cows in same sale! |
