| Assessor Comments | A great opportunity to secure an ideal line of backgrounder steers perfect to take through to heavy feeders or grass |                          |                                     |

bullocks. Vendor also has another steer line and two heifer lines in the same sale. These young steers have plenty of frame and bone to pack the weight onto, averaging 350kg full weight at assessment. These steers are a very even line of steers with little variation between top and tail. 100% vendor bred these steers are ideal to secure with the spring conditions upon us.
