Assessor Comments	8 quiet Angus x heifers that are well weaned and doing very well. These heifers are sired by AI Angus bulls out of large Friesian cows. They were nice and docile to handle through yards and crush. They have good bone and renowned for doing well and would make ideal future breeders. Please note vendor has 8 brothers in same sale ideal to keep together. Note 1 heifer had a slight hernia underneath but dont think detrimental and do not believe will effect her when older.
