Assessor Comments	A neat run of weaner steer calves. Purchased as calves at foot on heifers, out of Victoria via Auctionsplus. Calves are Landfall and Te Mania bloodlines presenting in forward store condition that would bounce forward if given the opportunity. Fully weaned and very quiet. These steers will go onto feeder weights comfortably as the season comes away. Have got through a wet, cold, Monaro winter and are really starting to do since the last few weeks of sunshine.
