Assessor Comments	A line of 19 banquet blood heifers, that averaged 462kgs at assesment. They are out of big framed anvil and banquet blood cows, these heifers are extremely quite and easy to handle. They are ready to join or would be ideal for a feedlot situation. They have been running on a seperate block away from the main property which means they have definitely not had any chance with a bull. Please note vendor has 2 other lots of heifers to be offered in the same auction 18 Angus heifers 451 kg average (not vendor bred) 24 Angus weaned heifers 332 kg average (vendor bred)
