	generally well handled, worked through the yards very easily
Handled With	Bikes
Assessor Comments	A line of productive Angus females that present in good condition as a result of the seasonal conditions they are currently experiencing. Cows will have calves weaned off them at delivery, Cows are milking very well and have raised some very nice Angus calves this year. Cows are Safely preg tested in calf to a Braidgewater Angus to commence calving Late July. Cows are good to handle and have been a valuable part of the "Mulla Creek" breeding program and are surplus to requirements. one cow carries old pink eye scaring
