Assessor Comments	A line of 18 Franc and Pathfinder blood heifers, that averaged 451kgs at assesment. These heifers are extremely quite and easy to handle. They are ready to join or would be ideal for a feedlot situation. They have been running on a seperate block away from the main property which means they have definitely not had any chance with a bull. There is 3 that have an old pink eye scar. This is not deemed detrimental. Please note vendor has 2 other lots of heifers to be offered in the same auction 19 Angus heifers 462 kg average (vendor bred) 24 Angus weaned heifers 332 kg average (vendor bred)
