Assessor Comments	A line of 24 banquet blood heifers, that averaged 332kg at assesment. They are out of big framed anvil and banquet blood cows, these heifers are extremely quite and easy to handle. These heifers have had 2 x 5in1 + b12, multimin and been drenched. They are already on the do and are extremely well bred. They have been running on a seperate block away from the main property which means they have definitely not had any chance with a bull. Please note vendor has 2 other lots of heifers to be offered in the same auction 18 Angus heifers 451 kg average (not vendor bred) 19 Angus heifers 462 kg average (vendor bred)
