Assessor Comments

A nice line of Angus PTIC Cows. Cows originally purchased from South Austalia in 2024 young Cows and Calves. Joined up for 9 weeks to Bongongo Angus bulls for a Late July- Sept calving. Cows raised very good calves last year. Cows with a very good frame and length to them and showed very good milk with last years calves. Cows with all their prime in front of them and will make very good breeders for years to come! Vendor has a line of Angus X Santa young cows and XB cows in same sale!
