Assessor Comments	A nice line of 22 vendor bred bucket reared Angus X Friesian steers sired by A.I Angus bulls and out of large frame friesian cows with the vendor having a 700 cow herd. These steers are really on the do and the opportunity to purchase cattle ready for a booming spring is running out. Steers are showing plenty of bone, length and heaps of scope to grow into big bollocks. The steers have had 2 shots of 7 in 1, 2 shots of Ultravac Botulinum and a pour-on drench. There was 4 steers showing some old pink eye scarring at assessment. The vendor is offering another 5 lots in this sale.
