Assessor Comments

A nice line of 16 vendor bred bucket reared Angus X Friesian heifers sired by A.I Angus bulls and out of large frame friesian cows with the vendor having a 700 cow herd. These heifers are really on the do and the opportunity to purchase cattle ready for a booming spring is running out. Heifers are showing plenty of bone, length and heaps of scope to grow into beautiful F1 cows, or could be fatten for your chosen market. The heifer have had 2 shots of 7 in 1, 2 shots of Ultravac Botulinum and a pour-on drench. There was 4 heifers showing signs of warts at assessment and 1 heifer has some old pink eye scarring. The vendor is offering another 5 lots in this sale.
