Assessor Comments A nice line of 16 vendor bred bucket reared Speckle Park X Friesian heifers sired by the Ai Speckle park bull Spics and Specs and being out of large frame friesian cows with the vendor having a 700 cow herd. These heifers are really on the do and the opportunity to purchase cattle ready for a booming spring is running out. Heifers are showing plenty of bone, length and heaps of scope to grow into heifers for your chosen market. The heifers have had 2 shots of 7 in 1, 2 shots of Ultravac Botulinum and a pour-on drench. There were 2 heifers showing signs of an old pink eye scarring at assessment. The vendor is offering another 5 lots in this sale.
