Assessor Comments	A nice line of 6 vendor bred bucket reared Speckle Park X Friesian steers sired by the Ai Speckle park bull Spics and Specs and being out of large frame friesian cows with the vendor having a 700 cow herd. These steers are really on the do and the opportunity to purchase cattle ready for a booming spring is running out. Steers are showing plenty of bone, length and heaps of scope to grow into steers for your chosen market. The steers have had 2 shots of 7 in 1, 2 shots of Ultravac Botulinum and a pour-on drench. These steers were only marked a month ago but have healed up extremely well. The vendor is offering another 5 lots in this sale.
