Assessor Comments	A good to very good line of Angus cows PTIC to Pathfinder and Lawsons Angus bulls. Cows are good medium to large frame and range from forward to prime condition. Honest station bred cows that were identified at preg testing as the later calvers in the herd. Only being sold due to deteriorating season. There were 9 cows missing an age tag at assessment and were either 6 tooth or solid full mouth. The breakup of the balance as follows - 2 red 2022, 38 yellow 2021, 4 purple 2020, 10 green 2019 Odd white udder, also approximately 5 cows with old pinkeye scarring, not detrimental.
