Assessor Comments	A/C: Mitchell Pastoral offer 15 Autumn 2021 drop heifers. Vendor bred, weaned, and grass assured, by Rennyalea Angus bulls out of large frame Angus cows. Noted high performance cattle that would be an excellent addition to a commercial breeding enterprise. An ideal opportunity to purchase heifers that have the weight, frame and age to handle a joining immediately. Please Note: At assessment i noticed 1 heifer with a small amount of wort on the off-side of her neck. Please Note: At assessment i noticed 2 heifers with a small amount of white hair on their udder.
