	Heifers were easy to handle and flowed through yards and crush with ease, the animals have clearly been handled a lot. There was 1 heifer that did push in the race slightly, and when on the scales did move about. Once released from the crush the heifer was calm.

Assessor Comments	A/C: Mitchell Pastoral offer 23 Spring 2021 drop heifers. Vendor bred, weaned, and grass assured, by Rennyalea Angus bulls out of large frame Angus cows. Noted high performance cattle that would be an excellent addition to a commercial breeding enterprise, or would no doubt perform in a feedlot/background situation.
