Assessor Comments	A/c P & B Hindle offer 12x12 Angus Heifers & Calves, these 1st calving females are two years old and are Connamara Angus Blood. With plenty of milk for first time heifers they are doing a tremendous job on their 3 -7 week old calves at foot. These heifers are classed in heifers only being offered due to the tight season and would compliment any breeders program. Paul Hindle has been breeding Angus cattle for 30 + years and these females are in the prime of their working life and will continue to grow and mature into big roomy females.
