Temperament

Yards	Crush	Paddock
Quiet: 54 head Slightly Stirry: 2 head	Quiet: 54 head Slightly Stirry: 2 head	Temperament not assessed in Paddock

The slightly stirry heifers walked away from the crush. As a mob these heifers are good to handle through the yards & outside the yards when making the video.

Handled With	Bikes , Dogs , On foot
Assessor Comments	Buyers an opportunity to buy Simbrah heifers that were kept for future breeders but due to a change in direction in their business they are now surplus to requirements & are ready to join to a bull of your choice. These heifers are very good to handle in & outside the yards, vendor has culled heavily for temperament in purchased breeders. They would also suit a trade feeder market or taken on to heavier feeder weights. There will be 8 heifers under 300 kg at delivery.
