Assessor Comments	A very classy line of EU Accredited Black Baldy heifers that are ideal to join to the bull of choice or grow out for either domestic or export slaughter purposes. The Ellingerrin herd are widely renowned for their do-ability, growth and performance in both grass and grain fed markets. Heifers are sired by Dunoon bulls that are commonly selected at the top end of the catalogue and out of generally large framed Allendale Blood Poll Hereford females, with the breeder herd culled annually on structure and fertility. 2 heifers displayed small amounts of ringworm on head/around eyes. Please note: Vendor has an additional lot of heifers in the same sale.
