Assessor Comments: **BACKGROUNDER HEIFERS** A quality line of 90 Hereford & Black Baldy Heifers (3 decks). Cattle averaged 320kg at

	assessment; all individually weighed 280 - 350kg. Heifers present in store, to forward store condition. These heifers have plenty of frame and stretch, whilst maintaining great feminine characteristics. Cattle were purchased ex Southern NSW & VIC as weaners and have performed well over the past 4 months. These heifers are "on the do" and would suit anyone looking for future breeders, as well as those looking to take advantage of the season in the North with cattle ready to grow out and on-sell. These heifers have had NO access to any bulls or stags. An opportunity presents itself here to buy a quality line of Hereford & Black Baldy Hfrs! (Note: Few heifers with a slight old blue eye scarring, not considered detrimental)
