Excellent weaners to handle. The yard weaning process certainly shining through here. Flowed through yards and whole process with no fuss. Calves you can send anywhere

Handled With	Bikes , Dogs , On foot , Vehicles
Assessor Comments	A very neat line of black coated composite cross weaner steers. By the Rosedale Charolais / Angus composite sires a real three way cross here maximising the hybrid vigor. Yard weaned and drenched and vaccinated at the same time these calves are truly ready to set and forget. Excellent cattle to handle and with another three lots in this sale the ability to combine into a full three deck load is available. Calves worth a close look
