Assessor Comments	A nice run of NSM Angus cows and with their 2nd calf at foot. Cows present in forward store condition with fresh sappy calves at foot. Cows have come through a tough, wet winter and have put everything into the calves. Cows would be benefit from fresh crop or pasture. Calves have been marked and will be tagged prior to delivery. Nice lot to fatten, rejoin and trade or retain and breed on to the bull of your choice. Please note: Agent can arrange freight to Riverina with weekly market trucks to Wagga. One cow with blue eye (not detrimental). 2 cows with white on udder. 1 cow with white in front of udder.
