Temperament	Yards	Crush	Paddock
	Quiet: 32 head	Quiet: 32 head	Temperament not assessed in Paddock
	Glenruben Angus cattle are renowned for their calm and quiet temperament with this group of dispersal females being no exception. Showed excellent manners throughout the drafting, weighing and media components of the assessment process and would be easily managed by cattle handlers of all abilities. Highly Recommended !!		
Handled With	Bikes , On foot , Vehicles		

Assessor Comments	HERD DISPERSAL - Wonderful opportunity to source outstanding Angus APR Registered females with this final dispersal of all females 2, 3 & 4 years from the renowned Glenruben Angus herd with 75 years of selective top end breeding behind them. Excellent opportunity to enhance your current Angus stud breeding base or to put a top end in your commercial herd as these females are priced to meet the commercial market. Glenruben are offering 197 females in their age groups over 7 lots. Temperament is exceptional with the Glenruben herd and all the females were a pleasure to handle during assessment. **This lot represents the natural joined "T" Cows coming up on their second calving that are PTIC to Glenruben sires T101 & T115** Cows were joined 26th Sept - 19th Nov to commence calving early July.
