Cattle handled very well in the yards and through the crush.

Handled With: Bikes , Vehicles

Assessor Comments: A regretful sale of the Dean Family's complete herd due to drought conditions. Vendor has been using Newnham Angus Bulls over the past 4 years. The cattle are very quiet and are handled quite regularly. All Calves have been marked and will grow into high quality weaners if given the right opportunity. Please note that there are 4 other lots in the same Auction.
