Assessor Comments	A mostly very good quality line of weaned steers. They are mostly Angus x Angus, one steer has a slight amount of pizzle and another is scurred. Steers were purchased off AuctionsPlus as calves on cows in December from Coolah, NSW. They are sired by Gates Angus bulls that were joined to an Angus cow herd carrying Te Mania, Pathfinder & Gates bloodlines. Steers would suit to take to export feeder weights or finish for a range of high quality markets. Steers also had their first shot of 5 in 1 at weaning. Please note one steer with blue eye scarring in one eye. Steers are located just off the Cunningham Hwy down Pollocks Rd, 30km NE of Goondiwindi.
