Assessor Comments

A small line of very quiet Speckle Park X Friesian heifers with Speckle Park CAF. Heifers have not be re-joined so would be ideal to join them for a Spring calving next year. Heifers are doing a super job of their calves given the long wet season we are witnessing in the Western District, given favorable conditions both cow and calf will power forwards. A true credit to the vendor on how quiet and easy to handle these cattle are. Vendor has another lot two lots of 6 x 6 in this sale.
