Assessor Comments	Mixed age draft of PTIC Angus and Speckle Park cows. PTIC to start calving at the end of December/start of January to Pathfinder Angus bulls and Minnamurra Speckle Park bulls. Mostly younger cows ranging from 2 to 10 years. All cows, except 1, have previously raised calves and are in ideal condition for calving. Small to medium frame cows with large weight range reflective of age split. This presents an ideal opportunity to purchase proven breeders that are on the brink of calving.
