Assessor Comments	Graham Aldridge of Mansfield is offering a small draft of EU Acc Poll Hereford Steers that were deemed the tail end draft of their January selling group & were retained until a later date. No expenses have been spared when purchasing sires from the well renown Injemira & Wirruna Poll Hereford Studs. Ideal animals for a small-scale operation to act as grass eaters & later grow into feeder steers in the Spring or take onto further export weights later down the track. Please note; Vendor has another small lot of Heifers also available in the same sale.
