Assessor Comments	An excellent line of Angus heifers. These heifers show good weight for age, type and temperament. They have excellent breeding with years of Rennyalea genetics to back them up. The heifers are in perfect condition and weight to go straight to the bulls of your choice. The vendors have been breeding quality Angus cattle for many years focusing on producing feeder cattle. These heifers will mature into outstanding breeders offering quality progeny for many years to come. NB: 4 heifers with white on udder/belly.
