These heifers have been running on an isolated property and have not had the usual handling recieved at Reiland due to wet season challenges. They were good to handle through the yards with only 4 heifers in total (44) that played up in the crush. The heifers were unsettled when taking photos. They improved greatly between the time when I started and finished. With more handling should come around quickly.

Handled With Bikes , Dogs , On foot

Assessor Comments OPPORTUNITY KNOCKS! A CHANCE TO PURCHASE A RUN OF 44 COMMERCIAL ANGUS HEIFERS FROM THE REILAND ANGUS COMMERCIAL HERD. HEIFERS TO BE OFFERED IN 2 EVEN LOTS OF 22 HEAD. An excellent line of Spring drop Angus heifers. Reiland Angus Stud is renowned across the East coast of Australia for producing quality Angus cattle to perform in any conditions. This is an opportunity to purchase exceptional Angus genetics that would be an asset to any breeding operation. These heifers show outstanding weight for age and are in perfect condition to put into a spring joining program. They will mature into highly productive breeders which will not only provide high quality sale progeny but also offer great genetic gain for the purchaser running a self-replacing herd.
