Well educated steers that were very good to handle through the assessment process.

Handled With: Bikes , On foot , Vehicles

Assessor Comments	Outstanding opportunity to purchase 132 Team Te Mania Angus steers that are EU & Greenham Never Ever Accredited. These steers were weighed into a tight weight range of 200-243kg to average 222kg full at assessment. A large tail end was removed from the line. Worthing East are an ACR recorded, Team Te Mania herd, with top Te Mania AI and lease Bulls used annually with a focus on high growth and marbling (IMF). These are hands down some of the best-bred steers in the country and are guaranteed to perform. These steers are all frame and will absolutely explode on better feed! Please note; steers were in two mobs and there are two pickups. One mob approx 90% with ring worm (see photos) - not considered detrimental. Vendor is also offering 57 PTIC cows in the Cattle sale.
