Assessor Comments	Very good quality line of vendor bred pure Friesian steers 426-588 kg full to average 507kg full (481kg empty). With a ADG of 1.3kg these fellas will continue to grow and fatten given the time. Lovely and quite to handle, these steers have been hand reared since 1 day old and were on hay & calf pellets adlib up until 200kg. Disbudded, via vet with full sedation, vaccinated and tagged at 4 weeks of age. Please note: Another of same vendors Angus/Friesian x steers also in this sale. 1 steer with 1 eye, 2 with small buds and approx 2 with blue eye - not deemed detrimental. 3 steers in this group 2020 born.
