Assessor Comments	An exceptional line of Angus heifers. These heifers are from the renowned Taraneer Pastoral Company Herd. Taraneer consistently purchase high end bulls from the Reiland Angus Stud and have done for the past 30 years and the quality shows in these future breeders. The mature cow herd are large frame, deep bodied cows. Taraneer have focused on producing feeder cattle but in the past have also finished cattle into the grassfed markets. Progeny from the Taraneer Pastoral herd are highly sought after by all major feedlots in NSW & QLD and are known for their performance. Taraneer have not classed these cattle out. They simply have too many and these heifers are surplus to requirements offering you the purchaser an excellent opportunity to secure quality breeder cattle from one of the leading Riverina Angus herds.
