Handled With	These steers have been well handled from a young age and show excellent temperament. They are quiet and moved through the yards with ease.			
	Bikes			

Assessor Comments	An excellent quality line of steers backed by years of top genetics. The Belmore herd has been using Injemira genetics for many years. These steers are from large framed, deep bodied cows that consistently produce excellent progeny. These steers show great weight for age, frame & type. They would be ideal to put on feed or grow out to meet grassfed markets. These steers are eligible for grass-fed programs as they are pasture reared.		
Assessor	Kenneth Miall (Level 1 Accredited) Phone: 0427 135 974		
Delivery Period	14/11/2022 to 18/11/2022 (5 days)
